

WYAPT 2022 Virtual Winter Training

Deck Design and Review Course for the Permit Technician

Instructor: Glenn Mathewson, Building Code College, 2021 ICC Educator of the Year

Tuesday, December 6th 8:30am – 4:30pm for 0.6 CEUs

Course Description: New prescriptive deck design codes have been developed and fine-tuned since the 2015 IRC edition, with more developments on the horizon. Learn all the details and design flexibility in the 2021 IRC for deck construction from someone that was part of their development. This course will take you through a sample deck plan review that will capture a broad extent of what Section R507 in the 2021 IRC can offer your community.

Course objectives:

- 1) Discover the enhancements to the 2021 deck design tables that can be utilized as a great alternative even in jurisdictions under the 2015 or 2018 IRC.
- 2) Learn the variety of beam and joist sizes, types, and orientations that the IRC supports.
- 3) Realize the broad applications prescriptive design can support, but also when additional engineering is necessary.

This 6-hour Live Webinar is hosted by BuildingCodeCollege.com (BCC) and is available to the public for \$90, but when you sign up through WYAPT you enjoy a price of \$80.00. That's right, you save \$10, get all the great BCC benefits, and you support the Wyoming Association of Permit Technicians so they can continue to support YOU! After enrolling through WYAPT you will receive an email with a link to set up a free account at BCC. This account provides access to the Webinar Homepage, the attendance verification and CEU certificate download, and a year of free access to the Recorded Webinar of this class.

For any questions regarding the BuildingCodeCollege.com enrollment and Live Webinar process, please contact Glenn Mathewson at Glenn@BuildingCodeCollege.com

General Information:

Schedule

Classes begin promptly at 8:30 am with breaks and a lunch throughout the scheduled class.

Registration Confirmation

To receive confirmation of your class registration, you must provide an email address on the registration form.

WYAPT will send link for the class through BCC with information that bypasses the payment at BCC. You will have access to the recording for a year.

After the class, a CEU Certificate of attendance will be issued for 0.6 CEUs.

IMPORTANT! Please email your registration to iccwypt@gmail.com
